UNCRC Symbols Resource

The United Nations Convention on the Rights of the Child (UNCRC) Symbols resource has been designed to be used as a symbol communication tool for children and young people who are non-verbal, have speech, language or additional support needs. They can also be used to help communicate ideas and information about children's rights to very young children.

It is a joint resource produced by the Children's Commissioner for England, Children and Young People's Commissioner Scotland and the Children's Commissioner for Wales.

The Commissioners' offices worked with Widgit Software, adult practitioners, and children and young people from England, Scotland and Wales to adapt 42 articles of the United Nations Convention on the Rights of the Child (UNCRC) into symbols.
