

SUPER AMBASSADORS

Time to elect your Super Ambassadors! A school election is when all the children in your school or class choose who they want to be Sally's Ambassadors.

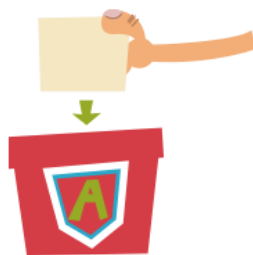

Step 1

Everyone in the class finds out what an ambassador is, and who wants to be one. You can do this by showing them Sally's [video](#).

Step 2

Pupils who want to be a Super Ambassador say who they are and why they would be a great ambassador. You can use our **nomination form** to help you if you like.

Step 3

Have a school or class election to choose your Super Ambassadors. Everyone gets to vote for who they would like to be ambassador.

Step 4

Two Super Ambassadors are chosen and they start working on their three jobs after receiving their resources through the post.
