What are the main barriers to running a training scheme in-house?

- Resources
- Rurality
- Difficulty attracting female applicants and BME groups
- Negative attitude of managers
- Finding departments willing to take on apprentices
- Coworkers scheme by whole authority
- Role of the corporate parent is hard to understand by other departments
- Time needed to set up and run the schemes
- Corporate buy in and corporate parenting attitude
- 130 having to choose between an apprenticeship and having the time paid for them as they cannot afford both
- Trying to get everybody to recognise that this is a priority and support is needed after 16
- Engaging other departments
- Surfing departments on board and giving care leavers a chance
- Lack of feedback and resources in rural areas
- Funding
- No investment from the authority
