

11,315

11,315 children and adults completed our survey.

They told us what Sally should do to help children in Wales.

Children said they worry about:

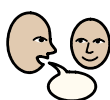

- Tests

- Bullying

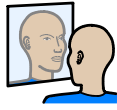

- Family problems

Young people said they worry about:

- Tests

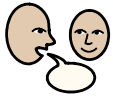

- The way they look

- What happens when they leave school

Adults

said

they worry about:

Children

feeling sad

Children

being bullied

Children

with

family

problems

Children

using

the

internet

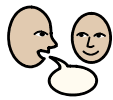

Children

and

adults

said

Sally

should:

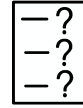

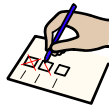

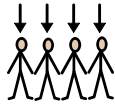

- Stop bullying

- Help children who are sad

- Keep children and young people safe

Thank you to everyone who completed our survey.
