

We Stand Together

**When your little heart is troubled
The clouds above are grey
There are those who will protect you
and help keep harm at bay.
In good or bad times
They work for you and me
Helping us
To be
the very best
that we can be.**

CHORUS

**We stand together
We stand as one
2 billion children
Beneath one sun
We have the rights to
Be free and play,
To be sheltered come what may**

**If you find your smile is hiding
You feel a little blue
Just remember all the rights that
are looking after you.
When you have bad days
There's somewhere you can go
With grown ups who will listen
Tell you all you need to know.**

CHORUS

**We stand together
We stand as one
2 billion children
Beneath one sun
We have the rights to
Be free and play,
To be sheltered come what may**

RAP

**We have the right
the right to be healthy!
Let's get moving!
Wobble like jelly!
Wave your arms
And tap your feet
Wiggle your bottoms
To the beat!**

CHORUS

**We stand together
We stand as one
2 billion children
Beneath one sun
We have the rights to
Be free and play,
To be sheltered come what may**
