

## Activity: The Senedd

Each party needs a colour. Colour in the key below to show which colour the Party is.

Party A	
Party B	
Party C	

Work out how many votes each party received.

**Party A**

$$7 + 8 =$$

**Party B**

$$19 + 16 =$$

**Party C**

$$8 + 2 =$$

Once you have worked out the answers, colour in the circles on the next page to show your answers.
