

Documents for supporting pupils with Additional Learning Needs (ALN).

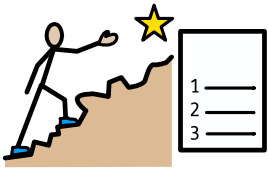

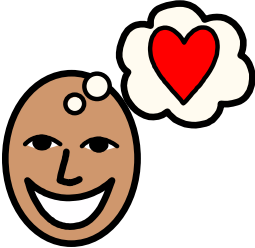

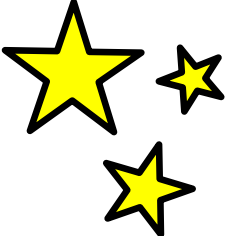

We've created resources to support pupils with ALN to lead this piece of work.

We recommend using the supporting documents alongside the Key Stage 2 Special Mission.

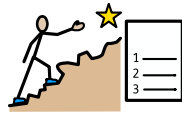

The symbols for the Special Mission and Imagination Station could be used as a diamond ranking activity. Ask pupils to put the special missions/ creative ideas in order from most to least favourite to help them vote.

Planning your Rights Journey

	1. Draw your road map.
	2. Add in your Special Missions
	3. What was your favourite mission? Why?
	4. Imagination Station: What is the most creative thing you have done?
	5. Three Stars and a Wish
