Frequently Asked Questions

Who is this questionnaire for?

All children and young people in Wales. We have surveys for different age groups and a survey for adult professionals and parents/carers.

Why should children and young people fill it in?

Filling in this questionnaire gives children and young people the chance to have a say on the work of the Children's Commissioner does in the next three years, helping to prioritise her work and make positive changes for children and young people in Wales.

Can I do this with a group or class?

The questionnaires are designed to be filled in individually, you may wish to help a group or class fill it in by helping them to have access to an IT suite or access to computers, ipads and mobile apps and help them to choose the right questionnaire for them.

Can I get this as a paper version?

Yes — if you can't access IT let us know and we can send paper versions by post or email a pdf version for you to print out.

Do all the questions have to be completed?

No — questions can be skipped but it is important to press 'submit' at the end of the survey or the questions that have been filled in won't be recorded.

Is it anonymous?

Yes — we don't know who filled it in or where they filled it in but we do ask which area you live in so we can ensure we hear from children and young people all over Wales.

Where will all this information go?

The information we collect will be used to help Rocio Cifuentes, the Children's Commissioner for Wales, to plan what work she prioritises over the next three years.

What if I need to help a child or young person fill it in?

We appreciate that lots of children and young people will need help to fill this in, it's important to us that all children are able to take part in the project and have the chance to answer the questionnaire. Helping them is fine as long as they express their own views in their answers. There's guidance for teachers and group leaders on our website.

What if I need it in a different format or language?

Please contact the office and we can see how we can help.

When is the deadline?

The deadline to complete the questionnaire is the 5 November 2022.
