

# Ambitions for Wales

Feedback for  
learners with  
PMLD

## Introduction

The purpose of this sensory story is to feedback the results of our 'Ambitions for Wales' survey to children and young people with PMLD.

The 'Ambitions for Wales' survey was launched in October 2022 by the Children's Commissioner for Wales, Rocio Cifuentes MBE. The purpose of the survey was to listen to the things that were most important to children in Wales and use this information to set her priorities and workplan.

Around 8,800 children and young people responded to the survey and over 1,300 parents, carers and professional workers.

We would like to thank Leigh Wharton from Ysgol Ty Coch

for partnering with us to create a survey for children and young people with PMLD.
