## **Children's Rights**

All children and young people have 42 rights under the United Nations Convention on the Rights of the Child (UNCRC).

These 42 rights give you what you need to grow up feeling happy, healthy and safe.

You have a right to be safe, have an education and a right to have a say.

If you want to learn more about your rights you can watch this video.

#### Take part in Monthly Matters!

Every month the Children's Commissioner for Wales' team asks you some questions about a topic.

Monthly Matters is really important to our work; it helps us to tell adults who make decisions what young people in Wales think.

As a Rights Ambassador you can share Monthly Matters in your school and ask other classes to fill it in. Monthly Matter also has a follow on activity that you can take part in.
