NOTE – you will need to sign up for the survey ahead of sharing with pupils.

You will get a unique code for your school/ setting and can share that with as many children or staff as you like.

Link to the video: <https://youtu.be/e6n9Cjd7by8>

This month it's a little bit different!

You will have a code from your teacher or youth worker.

You will use that code to fill in a survey.

Your answers will help you school / youth club plan their rights work.
